Press Release

SAYWITZ ASSISTS CENTER FOR AUTISM AND RELATED DISORDERS IN NATIONAL EXPANSION

Newport Beach, CA, October 16, 2015

The Center for Autism and Related Disorders (CARD) is continuing to expand its operations, services and outreach on a national basis. CARD which provides services, therapy and counseling to families affected by Autism and particularly treatments for children who have been diagnosed with Autism continues to growth its operations.” As the rate of diagnosis of Autism in the United States continues to expand so does the need for these services”, commented Jeff Saywitz who has assisted CARD in their facilities expansion both here in Southern California as well as throughout the country.

CARD, headquartered in Woodland Hills has recently expanded its operations by renewing its lease in Alexandria Virginia, and opening new offices and expanding in Fremont California, Walnut Creek California, Fresno California and Riverside California. Jeff Saywitz of The Saywitz Company has assisted CARD in all of these transactions totaling in excess of \$7 million.

Saywitz commented, “The need for these types of services is essential to addressing the needs of children affected by Autism. As awareness increases and as insurance companies continue to cover more of these types of treatments and therapies, the requirement for services will continue to expand. CARD is one of the leading providers of these types of services and we are happy to be a part of their success and expansion.”

The Saywitz Company is a national commercial real estate brokerage, consulting and investment firm headquartered in Newport Beach, California with offices in San Diego. The company specializes in representing tenants and users of commercial real estate on a national basis. The Saywitz Company is one of the largest privately held brokerage companies in Southern California and has completed transactions in all 50 states as well as throughout Canada and Mexico.
