DRS Technologies Signs \$14M Lease Renewal

Warland Investment Signs Sensors & Targeting Systems Manufacturer

DRS Sensors & Targeting Systems, a division of DRS Technologies, has renewed its 91,506-square-foot lease at 10600 Valley View St. in Cypress, CA.

Barry Saywitz with The Saywitz Company represented the tenant for the 11-year renewal, valued at approximately \$14 million. DRS Technologies is a multibillion dollar global defense and technology company.

Brian DeRevere with CBRE Group, Inc. represented Warland Investment Ltd., the owner of the two-story, 91,506-square-foot office building that was constructed in 1985 on 5.7 acres in Orange County.
